School Spirits (A Hex Hall Novel) By Rachel Hawkins

Fifteen-year-old Izzy Brannick was trained to fight monsters. For centuries, her family has hunted magical creatures. But when Izzy's older sister vanishes without a trace while on a job, Izzy's mom decides they need to take a break.

Izzy and her mom move to a new town, but they soon discover it's not as normal as it appears. A series of hauntings has been plaguing the local high school, and Izzy is determined to investigate. But assuming the guise of an average teenager is easier said than done. For a tough girl who's always been on her own, it's strange to suddenly make friends and maybe even have a crush.

Can Izzy trust her new friends to help find the secret behind the hauntings before more people get hurt?

Rachel Hawkins's delightful spin-off brings the same wit and charm as the *New York Times* best-selling Hex Hall series. Get ready for more magic, mystery and romance!

Editorial Review

From School Library Journal

Gr 7-10-Since her older sister went missing nearly a year ago, 15-year-old Izzy and her mother are all that remain of the family. Endowed with extra strength and supernatural powers, the Brannicks have been ridding the world of evil creatures for thousands of years. Without her sister by her side, it's a lonely life for Izzy, who is still trying to prove to her mother that she is ready to handle the family business on her own. After a nearly disastrous run-in with a vampire, her mother decides to give her something easier to work on. They move to Mississippi, and the teen enrolls in the local high school where a rogue ghost has attempted to kill one of the teachers. Dealing with the ghost should be a simple task, but attending high school for the first time is a scary prospect for the homeschooled teen. She joins the school-sanctioned Paranormal Management Society and becomes friends with its members. She begins to fall in love with one of them and discovers that another member may be the reason she can't get the ghost under control. Always warned by her mother to go in, do the job, and get out, Izzy realizes that the relationships she's formed may be placing people's lives in jeopardy. It's impossible not to compare this book to Buffy the Vampire Slayer as it blends equal parts humor, drama, and romance-just like the popular TV series. In this Hex Hall spin-off, Hawkins takes us to Ideal, Mississippi, where 15-year-old Izzy Brannick and her mother have fled to escape Izzy's sister's disappearance and Izzy's own botched attempt to slay a vampire. But Ideal is hardly the ideal small town. Instead, the high school where Izzy will soon enroll has endured a series of progressively escalating hauntings. Perhaps this is Izzy's chance to restore her reputation by solving a tragic, yet harmless, ghost visitation gone awry. Or perhaps it's just the opportunity she hasn't even known she desired: to finally have a best friend and even a boyfriend, who, by the way, might just be a Prodigium, a warlock of sorts. In true Hawkins fashion, *School Spirits* combines romance, intrigue, and the paranormal with humor and high-school drama to produce a light read that bodes well for another Hawkins series, this time featuring the Brannicks. HIGH-DEMAND BACKSTORY: This spinoff of the New York Times best-selling Hex Hall series should be similarly well received. Grades 7-10. --Frances Bradburn

"In true Hawkins fashion, *School Spirits* combines romance, intrigue, and the paranormal with humor and high-school drama to produce a light read that bodes well for another Hawkins series, this time featuring the Brannicks." *Booklist*

PRAISE FOR SPELL BOUND

"Sophie is a plucky heroine [and] the action is nonstop." *VOYA*

* "Ace plotting, snappy dialogue, unexpected twists, and an exhilarating finale will have readers eager for more." *Publishers Weekly* (starred review)

* "Hawkins dials the level of humor up to high throughout most of the book, with deftly phrased witticisms in both the narrative and her characters' dialogue. Her characterizations shine as original and funny, especially Dex and Torin, an Elizabethan-era warlock trapped for centuries in the Brannicks' mirror, who dispenses dubious advice." *Kirkus Reviews* (starred review)

PRAISE FOR DEMONGLASS

"Brisk pacing, sparkling romantic chemistry and genuine heartache will satisfy fans and attract new readers to the series."? *Kirkus Reviews*

PRAISE FOR DEMONGLASS

"Complete with maniacal spirits and one heck (hex?) of a twist, will have readers anxiously awaiting the next installment."? *The Bulletin of the Center for Children's Books*

PRAISE FOR DEMONGLASS

* "One engaging, entertaining story. Once readers turn the first page, it is nearly impossible to put the book down."? *VOYA (starred review)*

PRAISE FOR HEX HALL

"Opening *Hex Hall* was like opening a box of chocolates-no way could I exercise self-control! There was at least one laugh per page, a witty and self-deprecating protagonist, a.k.a. Sophie Mercer, and a murder mystery that had the pages turning themselves-either that, or one of Hex Hall's invisible Prodigium was to blame! Bottom line: Sophie Mercer has cast a spell on me!"? *Becca Fitzpatrick, best-selling author of Hush, Hush*

PRAISE FOR HEX HALL

"Hawkins' entertaining debut is jam-packed with magical creatures and mystery."? *Publishers Weekly*
