**Innocent Blood: The Order of the Sanguines Series** By James Rollins, Rebecca Cantrell

A vicious attack at a ranch in California thrusts archaeologist Erin Granger back into the folds of the Sanguines, an immortal order founded on the blood of Christ and tasked with protecting the world from the beasts haunting its shadows and waiting to break free into the sunlight. Following the prophetic words found in the Blood Gospel--a tome written by Christ and lost for centuries--Erin must join forces with Army Sergeant Jordan Stone and the dark mystery that is Father Rhun Korza to discover and protect a boy believed to be an angel given flesh.

But an enigmatic enemy of immense power and terrifying ambition seeks the same child--not to save the world, but to hasten its destruction. For any hope of victory, Erin must discover the truth behind Christ's early years and understand His first true miracle, an event wrapped in sin and destruction, an act that yet remains unfulfilled and holds the only hope for the world.

The search for the truth will take Erin and the others across centuries and around the world, from the dusty plains of the Holy Land to the icy waters of the Arctic Ocean, from the catacombs of Rome to an iron fortress in the Mediterranean Sea, and at last to the very gates of Hell itself, where their destiny--and the fate of mankind--awaits.

With The Blood Gospel, the first novel in the Order of the Sanguines series, James Rollins and Rebecca Cantrell breathtakingly combined science, myth, and religion and introduced a world where miracles hold new meaning and the fight for good over evil is far more complicated than we ever dreamed. In Innocent Blood they again take us to the edge of destruction . . . and into the deepest reaches of imagination.

### Editorial Review

From [Booklist](#)

In this sequel to *The Blood Gospel* (2013), archaeologist Erin Granger receives a message from Cardinal Bernard, leader of the Order of Sanguines, a group of vampires operating within the Vatican, whose thirst for human blood is kept in check by the blood of Christ. The message leads Erin back into the ancient war between the Sanguines and the Strigoi, a rival group of vampires whose interests lie in a more evil direction than the Sanguines'. Now a new villain has surfaced, a man who calls himself Judas Iscariot—and who may indeed be the biblical Judas. To save the world from Armageddon, Erin reluctantly joins forces with another entity whose evil nature is not to be trifled with. This collaboration between Rollins, the well-known author of the Sigma Force thrillers (contemporary stories with ties to ancient riddles), and Cantrell, author of the atmospheric Hannah Vogel mysteries (set in Berlin in the 1930s), should appeal to their fans, but also to readers who like an action-packed, epic-size story portraying the battle between Good and Evil. --David Pitt

### Review

"A thriller of dark subterranean complexity, rather like a rare, vintage red wine." (NY Journal of Books)

"A combination of religious conspiracy and another popular genre, and to reveal more about the concept behind this engaging novel would be a crime." (Washington Post on *THE BLOOD GOSPEL*)

"There's a touch of genius... in pairing a Dan Brown-ian hidden-codex mystery with a vampire tale. Let that suffice lest spoilers ruin the fun, except to say that the blood of the title is no accident." (Kirkus on *INNOCENT BLOOD*)

"[A]nother darkly hypnotic hybrid, and supremely effective, horror-thriller... A harrowing tale that's truly epic in scope. Not to be missed." (Providence Journal on *INNOCENT BLOOD*)

"[C]aptures the imagination and leaves the reader panting in anticipation for the next adventure." (New York Journal of Books on *INNOCENT BLOOD*)

"[An] intense and shocking thriller...filled with history, espionage, love, revenge, and the power of forgiveness." (Library Journal on *INNOCENT BLOOD*)

"There's a touch of genius...in pairing a Dan Brown-ian hidden codex mystery with a vampire tale." (Kirkus Reviews)

From the Author

### About James Rollins

JAMES ROLLINS is a #1 New York Times bestselling author of international thrillers that have been translated into more than forty languages. Known for unveiling unseen worlds, scientific breakthroughs, and historical secrets, Rollins' knack for breakneck pacing and stunning originality has been hailed by critics and embraced by scores of millions of readers around the world.

### The Critics Rave

The New York Times says that his "roguish charm comes from his efforts to persuade readers the story is credible [through] real-life sources for his novel's science, history and geography." Rollins' rare blend of action, suspense, and knowledge was also mentioned by the Huffington Post, which stated that "After Crichton passed away in 2008 he clearly passed the baton to James Rollins, who like Crichton, is a renaissance man."

NPR calls his work "adventurous and enormously engrossing..." and the New York Journal of Books had this to say: "If you're a fan of smart, entertaining adventure fiction, this is your summer beach read writ large....All the science, all the history, and all the locations are masterfully intertwined. The characters are multi-dimensional. And the story is, well, a corker."

### **The Story Teller's Story**

As a boy immersed in the scientific adventures of Doc Savage, the wonders of Jules Verne and H.G. Wells, and pulps such as *The Shadow*, *The Spider*, and *The Avenger*, James Rollins decided he wanted to be a writer. He honed his storytelling skills early, spinning elaborate tales that were often at the heart of pranks played on his brothers and sisters.

Before he would set heroes and villains on harrowing adventures, Rollins embarked on a career in veterinary medicine, graduating from the University of Missouri and establishing a successful veterinary practice. This hands-on knowledge of medicine and science helps shape the research and scientific speculation that set James Rollins books apart.

### **Explosive Page-Turning Adventures**

The exotic locales of James Rollins novels have emerged as a hybrid between imagination, research, and his extensive travels throughout the United States and Europe, as well as New Zealand, the South Pacific, China, Southeast Asia, Africa, Australia, and South America. Recent jaunts include book tours and stops across the country and several European nations to give talks, seminars, and media interviews. In recent years, much of James' travel has involved meeting readers in small and large groups, at writing and fan conferences, and even aboard seagoing "seminars." James' mentoring and coaching skills have made him a sought after writing instructor and guest speaker for workshops, symposia, conventions, and other forums throughout the country.

James Rollins is the author of nine thrillers in the bestselling Sigma Force series (*Sandstorm*, *Map of Bones*, *Black Order*, *The Judas Strain*, *The Last Oracle*, *The Doomsday Key*, *The Devil Colony*, *Bloodline*, and *The Eye of God*); six individual adventure thrillers; and the Jake Ransom middle grade series (*Jake Ransom and the Skull King's Shadow*, *Jake Ransom and the Howling Sphinx*.)
