Moonlight Becomes You By Mary Higgins Clark

From Queen of Suspense Mary Higgins Clark, a thriller “that grabs you with the first paragraph and never lets go” (*USA TODAY*) about a woman desperate to uncover the truth behind her beloved stepmother’s death.

 Get Print Book

At a party in Manhattan, Maggie Holloway—one of the fashion world’s most successful photographers—is thrilled to be reunited with her beloved stepmother. A widow now, Nuala Moore is equally delighted to see her long-lost stepdaughter, and she invites Maggie to spend a few weeks at her home in Newport, Rhode Island. But when Maggie arrives, she finds Nuala murdered, apparently by a burglar.

Heartbroken, Maggie is stunned to learn she had inherited Nuala’s stunning Victorian home...and horrified when she begins to suspect that Nuala’s death was not random, but part of a diabolical plot conceived by a twisted mind. When Nuala’s dear old friend, Greta Shipley, dies suddenly of supposedly natural causes, Maggie is convinced that there is a link between these two and other recent deaths among the older women of Newport. What she doesn’t realize is that she has now become a target for the killer as well, and that each clue she uncovers brings her closer to an unimaginable fate.

Editorial Review

Amazon.com Review

Newport, Rhode Island: a world of old money, old names, and sinister secrets. Maggie Holloway, a fashion photographer, goes to visit an old friend -- but when she arrives, the friend is dead, the victim of a violent robbery. Maggie is stunned when she learns that she's the beneficiary of the will -- and even more stunned when she recognizes a pattern of murder in Newport society that will lead the killer straight to her.

From Publishers Weekly

Pretty photographer Maggie Holloway begins Clark's latest (after *Silent Night*) lying in a coffin buried in a grave, pulling desperately at a string that leads to a bell with no clapper. How she got there is the essence of a convoluted tale of a ritzy Newport, R.I., retirement home whose well-heeled residents seem to die with alarming frequency, leading to high-profit turnover of their apartments there. Latest to shed her mortal coil was Maggie's much-loved stepmother, a fact that led intrepid Maggie to take an unwise amount of interest in the deaths--and also to question why several of the graves seemed to have little funerary bells on them. As usual with Clark, there is a stalwart admirer whose love does not immediately speak its name, and a surfeit of suspicious characters, including a scholarly funeral nut, a shady investment broker, a venal lawyer, a drunken, inept doctor and a nosy nurse. There's some fun in the sprightly Newport oldsters, and the many scenes and characters are shifted around smoothly and with a practiced hand. The bells gimmick seems no more than that, however, and the book is light on thrills--though there's nothing to put off Clark's myriad fans. Major ad/promo; Literary Guild main selection; Reader's Digest Condensed Books selection; paperback rights to Pocket Books; author tour. (May).
