The Philosophy Book: Big Ideas Simply Explained By Will Buckingham, Douglas Burnham, Peter J. King, Clive Hill, Marcus Weeks, John Marenbon

An essential introduction to the history, concepts, and thinking behind philosophy that demystifies what can often be daunting subject matter, laid out in DK's signature visual style.

Are the ideas of René Descartes, Mary Wollstonecraft, John Locke, and Thomas Hobbes still relevant today? *The Philosophy Book* unpacks the writings and ideas of more than 100 of history's biggest thinkers, taking you on a journey from Ancient Greece to modern day. Explore feminism, rationalism, idealism, existentialism, and other influential movements in the world of philosophy.

From Socrates to Confucius to Julia Kristeva, *The Philosophy Book* breaks down difficult concepts using innovating graphics that pop off the page alongside creative typography. Cutting through the haze of academia and untangling complicated theories to show how our social, political, and ethical ideas are formed, *The Philosophy Book* contextualizes the information around time periods, innovative thinkers, method, and philosophical approach.

With graphics, clear writing, a philosopher directory, and a vocabulary glossary, *The Philosophy Book* is a perfect and comprehensive introduction to a complicated and fascinating subject.

Series Overview: Big Ideas Simply Explained series uses creative design and innovative graphics, along with straightforward and engaging writing, to make complex subjects easier to understand. These award-winning books provide just the information needed for students, families, or anyone interested in concise, thought-provoking refreshers on a single subject.

Editorial Review

Review

"[The Big Ideas Simply Explained books] are beautifully illustrated with shadow-like cartoons that break down even the most difficult concepts so they are easier to grasp. These step-by-step diagrams are an incredibly clever learning device to include, especially for visual learners." – **Examiner.com**

"This graphically lively presentation, which also features color reproductions, colorfully framed pull quotes, photos, and a variety of fonts, offers students an overview of the ideas and concepts generated by people who have spent their lives "wondering about the world." – **School Library Journal**

"In *The Philosophy Book*, the ideas and thoughts of more than one hundred of the most influential philosophers from the ancient world through today are presented in a succinct, yet highly readable, format. From all corners of the world and from different traditions and approaches to philosophy and the art of reasoning, the contributors to this excellent book highlight the impact of each philosopher on his society and how it affected the development of subsequent ideas. Students of philosophy or those interested in human thought will thoroughly enjoy this book. This volume is an excellent addition to a general philosophy collection." – **Voice of Youth Advocate/VOYA Magazine**
