Tolkien, Race and Cultural History: From Fairies to Hobbits By Dimitra Fimi

Fimi explores the evolution of Tolkien's mythology throughout his lifetime by examining how it changed as a result of his life story and contemporary cultural and intellectual history. This new approach and scope brings to light neglected aspects of Tolkien's imaginative vision and contextualises his fiction.

Editorial Review

Review

Winner of the Mythopoeic Scholarship Award for Inklings Studies 2010

Short listed for the Katharine Briggs Award 2009

'Dimitra Fimi's Tolkien, Race and Cultural History traces the evolution of the legendarium with admirable care...This scholarly yet approachable book is filled with...surprising fragments.' - Jon Barnes, Times Literary Supplement

'Fimi's book reads so well that it's hard to believe that it's an academic tome' - Henry Gee, Mallorn

'constitutes an important contribution to Tolkien studies...the author brings together (often for the first time) relevant research from cultural history and lays out her arguments fair and square...Fimi's book has given us some answers but has also opened up some avenues for future research. What more can we ask for?' Thomas Honegger, Friedrich-Schiller-Universitat, Germany

'...a rich study into Tolkien's creative impulses and the influences that worked on those impulses in the course of a long creative life...any reader interested in the work of J. R. R. Tolkien...is in for a treat. The book is intelligently argued and full of interesting ideas and approaches, offering fresh insights into Tolkien's authorship...you will find plenty of stimulating and thought-provoking material to make the book well worth reading.'

- Nils-Lennart Johannesson, English Today

'Until now, Tolkien has generally been studied in isolation, or as the father of modern fantasy-writing, but this book shows how his work was rooted in the mental world of his contemporaries and the immediately preceding generation. As Tolkien scholarship becomes more analytical, Fimi's study provides essential new insights.' - Jacqueline Simpson, The Folklore Society

About the Author

DIMITRA FIMI lectures in English Literature at the University of Wales Institute, Cardiff (UWIC). Her research interests include the history of fantasy literature, folklore and popular culture, literary adaptations, and the interaction between literature and visual culture.

Users Review

From reader reviews:

Salvador Swain:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each publication has different aim or goal; it means that e-book has different type. Some people experience enjoy to spend their time for you to read a book. They are reading whatever they take because their hobby is definitely reading a book. Think about the person who

don't like reading through a book? Sometime, individual feel need book once they found difficult problem or even exercise. Well, probably you will need this Tolkien, Race and Cultural History: From Fairies to Hobbits.

Bonnie Lugo:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Tolkien, Race and Cultural History: From Fairies to Hobbits.

Aurora Foster:

This Tolkien, Race and Cultural History: From Fairies to Hobbits is brand-new way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge.
