Beyond Championships Teen Edition: A Playbook for Winning at Life By Dru Joyce II

In *Beyond Championships Teen Edition*, Coach Dru Joyce lays out the steps teens can follow to become winners on and off the court. Much more than a sports book, *Beyond Championships Teen Edition* is a blueprint for *anyone* looking to make better choices and reach their full potential. The book speaks to athletes aspiring to emulate LeBron's success, as well as anyone who feels either uninspired or unable to change the direction of their lives.

In less than ten years, Coach Dru went from someone resigned to a dull-yet-stable existence to one of the highest profile basketball coaches in the country, despite having virtually no background in the sport. It was an incredible transformation, the type most people only dream of, but one Coach Dru proved can become a reality with the right combination of faith and hard work.

Beyond Championships Teen Edition focuses on the nine principles Coach Dru promotes to his players and tries to live his own life. While these principles act as the foundation on which Coach Dru has built so many successful basketball teams, their universality ensures that they can be applied to any situation.
