Social Darwinism: Selected Essays of William Graham Sumner (Classics in History) By William Graham Sumner

Superb 1963 copy. A very important read for today. This is essentially the philosophy of the Republican party, post Reagan, that the rich deserve their wealth and the best people rise to inheritance and only dummies work for a living. This is the notion of divine right of kings blended with Charles Darwin's science into a pseudo social science, one that is believed widely
