What God Said: The 25 Core Messages of Conversations with God That Will Change Your Life and the World By Neale Donald Walsch

God's number one message to the world:

“You’ve got me all wrong.”

Inspired by his nine-book *Conversations with God* series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way.

This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story.

But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God*, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

Editorial Review

From [Booklist](#)

Walsch, who has written nine previous books about his conversations with God, here distills the essential elements of this new testament and offers specific ways readers can practice these core messages. The messages range from There is no such thing as Right and Wrong, there is only What Works and What Does Not Work, given what you are trying to do to We are all One. A lot of this is a mash-up of New Age philosophies, with a heaping portion of A Course in Miracles. But the approach here portions out the information in neat segments. Each of the 25 core messages is explained, followed by a list of meditations and activities (and lots of journaling) to apply it to everyday life. Even those drawn to the Conversation with God philosophy (and Walsch's books are international best-sellers) may balk at some of the suggestions, such as Don't do things you don't want to do, even at work. But fans will like having all this information in digestible bites. --Ilene Cooper

About the Author

Neale Donald Walsch is the author of the *Conversations with God* series of books, seven of which have made the *New York Times* bestseller lists. He has created a number of global projects revolving around the Core Messages found here, including an education program for children and a collaboration with people across the planet to invite serious and ongoing discussion of these ideas everywhere. Neale lives in southern Oregon with his wife, the American poet Em Claire. The two travel and work together extensively, sharing with people around the world information they hope may help others in finding a deeper connection with themselves, their soul, and God.
