The Rise of the Nones: Understanding and Reaching the Religiously Unaffiliated By James Emery White

The single fastest growing religious group of our time is those who check the box next to the word *none* on national surveys. In America, this is 20 percent of the population. Exactly who are the unaffiliated? What caused this seismic shift in our culture? Are our churches poised to reach these people?

James Emery White lends his prophetic voice to one of the most important conversations the church needs to be having today. He calls churches to examine their current methods of evangelism, which often result only in transfer growth--Christians moving from one church to another--rather than in reaching the "nones." The pastor of a megachurch that is currently experiencing 70 percent of its growth from the unchurched, White knows how to reach this growing demographic, and here he shares his ministry strategies with concerned pastors and church leaders.

From the Back Cover

The single fastest-growing religious group of our time is those who check the box next to the word *none* on national surveys.

In America, this is 20 percent of the population.

And most churches are doing virtually nothing to reach them.

In this hard-hitting examination of our churches' current evangelism methods, which often result only in transfer growth--Christians moving from one church to another--rather than in reaching the *nones*, James Emery White calls us to discover the mission field right outside our doors. The pastor of a megachurch that is currently experiencing 70 percent of its growth from the unchurched, White knows how to reach this growing demographic, and here he shares his ministry strategies with concerned pastors and church leaders, answering questions like

- Exactly who are the unaffiliated?
- What caused this seismic shift in our culture?
- How can our churches reach these people?

If you long to see growth in your church that is the result of lost people entering into the family of God, this book is where you should start.

"In an era of increasing complexity and religious apathy, James Emery White has written a book that is helpful, informative, challenging, and timely. Those who care about communicating the gospel in this complex culture and think the church must regroup and re-engage should read *The Rise of the Nones*."--**Ed Stetzer**, president of LifeWay Research
