Traditional Chinese Medicine Cupping Therapy - E-Book By Ilkay Z. Chirali

This 3rd edition explores and describes techniques of cupping in the context of TCM theory. It provides a clear and detailed set of practical guidelines to applying this technique for various common conditions, and looks closely at issues of safety, expectation and theoretical principles of action. This new edition includes new scientific research on cupping therapy and the effect on the immune system as well as new material on muscular pain, stress management and cupping therapy and sports medicine. A dedicated website complements the text with video clips showing the eleven methods of cupping therapy.

- DVD containing 12 video clips showing the use of cupping in practice.
- Unique scientific research on cupping therapy and the effect on the immune system.
- 16 page colour plate section containing 63 halftones.
- New page layout including new features.
- Thoroughly revised and updated throughout with more details allocated to individual treatment and methods.
- New material on muscular pain, stress management and cupping therapy and sports medicine.

Editorial Review

About the Author

Ilkay Zihni Chirali was born in 1946 in Lemba (Çirali) Gazi Baf, Cyprus. He grew up in a village by the sea where people, animals and plants were dependent upon each other. They shared the same simplicity and their environment was always treated with conviction, respect and love. He eventually left Cyprus to pursue his higher education, first in Turkey and then in Sweden and England. In 1982 he emigrated to Australia, where he studied Chinese Medicine with Professor Wong Lun and Master Danial Wong. Ilkay qualified as an acupuncturist in Melbourne, Australia, where he opened his first Acupuncture and Stress Therapy Clinic. He returned to England in 1987 and now runs a clinic in Bexleyheath, Kent, where he treats children as well as adults.

Ilkay's wide-ranging studies have brought him expertise in acupuncture, Chinese Herbal Medicine, clinical hypnotherapy, the Lusher Personality Test, paediatric acupuncture and western medicine pathology. He has studied further in Nanjing, China, at the College of Traditional Chinese Medicine and First Affiliated Hospital in the Internal Medicine, Dermatology and Gynaecology departments.

Ilkay has practiced cupping from an early age, gaining his first experience of the technique when employing the traditional Turkish folklore remedy for colds. He has been organizing regular cupping workshops both in the UK and overseas since 1988 and a BBC TV programme where he appeared as an "Expert". To date, he has given over 60 public lectures and a BBC World Service Radio talk on the subject of Traditional Chinese Medicine and Cupping Therapy.

Users Review

From reader reviews:

Bernadine Williams:

In this 21st centuries, people become competitive in each and every way.
