Martin Luther King Jr. By Adam Fairclough

During a public career spanning only twelve years, Martin Luther King Jr. transformed the South?and the nation?and reinvigorated American democracy. From the pulpit and from jail, he inspired African Americans to rebel against white supremacy, nonviolently defying racism, bigotry, and brutality. He also sought a better way of life for all poor and powerless people, black and white alike. In this concise and readable biography, Adam Fairclough chronicles the major events of King's life and assesses his achievements as the preeminent leader of the civil rights movement.

The biography begins with an examination of King's upbringing in Atlanta, Georgia, and a description of the conditions suffered by black southerners in the 1930s. After tracing King's intellectual growth through college, graduate school, and seminary, Fairclough then tracks his fortuitous involvement in the Montgomery bus boycott and his swift rise to prominence as a spokesman and leader. Subsequent chapters offer incisive accounts of King's major campaigns: the demonstrations in Albany, Georgia, where a wily police chief outwitted him; the militant protests in Birmingham, Alabama, where King transmuted police brutality into a historic victory for African Americans; and the campaign in Selma, Alabama, which paved the way for black political representation throughout the South. Fairclough also looks at other notable triumphs and struggles, from the inspirational "I Have a Dream" speech delivered at the March on Washington rally to King's ill-fated journey to Memphis to help striking sanitation workers.

Throughout, Fairclough charts the major stages of King's philosophical and political growth, examining his opposition to the Vietnam War, his response to Black Power, and his growing concern for economic justice. Fairclough rounds out his portrait with an assessment of King's legacy to America and his continuing relevance to the struggle throughout the world for freedom and equality.

Editorial Review

From [Booklist](#)

Fairclough provides a concise chronicle of the intellectual, social, and political evolution of Martin Luther King Jr. Rather than concentrating on the previously documented details of King's life and times, the author prefers to highlight the fascinating ideological growth of his subject. King's formative years, his ascension into power and prominence as the leader of the civil rights movement, and his major protests and campaigns are all analyzed in terms of his maturing philosophical development. Publication of this digestible biography is timed to coincide with Black History Month. Recommended as an accessible introduction to the man and his mind. *Margaret Flanagan*

Review

Intended for the student or general reader who wants a brief introduction to King's life, it is thoughtful, well-informed, and highly readable

(Mississippi Quarterly)

A sound alternative . . . for those high school and college teachers who hesitate at assigning something approaching a thousand pages but nonetheless want their students to understand King.

(Georgia Historical Quarterly)

From the Back Cover

In this concise and readable biography, Adam Fairclough chronicles the major events of King's life and assesses his achievements as the preeminent leader of the civil rights movement.

Users Review

From reader reviews:

Sarah Ruff:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or even goal; it means that reserve has different type. Some people really feel enjoy to spend their a chance to read a book. They are really reading whatever they have because their hobby is definitely reading a book. What about the person who don't like reading through a book? Sometime, individual feel need book whenever they found difficult problem as well as exercise. Well, probably you should have this Martin Luther King Jr..

Judith Judd:

The book Martin Luther King Jr. can give more knowledge and information about everything you want. Exactly why must we leave the great thing like a book Martin Luther King Jr.? Wide variety you have a different opinion about book. But one aim which book can give many info for us. It is absolutely proper.

Right now, try to closer together with your book. Knowledge or information that you take for that, you are able to give for each other; you are able to share all of these. Book Martin Luther King Jr. has simple shape however, you know: it has great and massive function for you. You can seem the enormous world by available and read a book. So it is very wonderful.

Jose Coleman:

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try matter that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Martin Luther King Jr., you could enjoy both. It is great combination right, you still wish to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its called reading friends.

Carol Stripling:

This Martin Luther King Jr. is great reserve for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This kind of book reveal it facts accurately using great organize word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having Martin Luther King Jr. in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen second right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. active do you still doubt that will?
