Green Remedies By DR. S SURESH BABU, DR. M MADHAVI

Since ages, Indian people had an incredible knowledge of phyto-medicine driven apparently by a tremendous passion for the study of medicinal plants. The earliest description of the medicinal plants and their uses is to be found in Rig Veda - the oldest scripture in the world. Probably no other medicinal culture in the world has so extensive, detailed and deep an understanding about the medicinal value of plants. Most of the medicinal systems, including Greek and Roman have freely borrowed from Ayurveda. The entire world has now realized that, being natural, the Indian medical preparations are not only harmless, vital, vigorating and life-giving, but are within the reach of common man.
