Get Print Book

The novel that launched Turow's career as one of America's pre-eminent thriller writers tells the story of Rusty Sabicch, chief deputy prosecutor in a large Midwestern city. With three weeks to go in his boss' re-election campaign, a member of Rusty's staff is found murdered; he is charged with finding the killer, until his boss loses and, incredibly, Rusty finds himself accused of the murder.

Editorial Review

From Publishers Weekly

Chicago defense attorney Turow, formerly a U.S. prosecutor, capitalizes on his intimate knowledge of the courtroom in an impressive first novel that matches *Anatomy of a Murder* in its intensity and verisimilitude. With the calculating genius of a good lawyer (and writer), Turow, author of the nonfiction *One L*, draws the reader into a grittily realistic portrait of big city political corruption that climaxes with a dramatic murder trial in which every dark twist of legal statute and human nature is convincingly revealed. The novel's present tense puts the reader firmly in the mind of narrator Rusty Sabich, a married prosecuting attorney whose affair with a colleague comes back to haunt him after she is brutally raped and murdered. Sabich's professional and personal lives begin to mingle painfully when he becomes the accused. His is a gripping and provocative dilemma: "Sitting in court, I actually forget who is on trial at certain moments. . . . And once we get back to the office, I can be a lawyer again, attacking the books, making notes and memos." Turow's ability to forge the reader's identification with the protagonist, his insightful characterizations of Sabich's legal colleagues and the overwhelming sense he conveys of being present in the courtroom are his most brilliant and satisfying contributions to what may become a literary crime classic. 125,000 first printing; \$125,000 ad/promo; movie rights to Sidney Pollack; Literary Guild dual selection; author tour. Copyright 1987 Reed Business Information, Inc.

Review

"Spellbinding...The suspense is relentless...Surprise follows surprise...The work of a profoundly gifted writer" (*The New York Times*)

Review

If you start *Presumed Innocent* you will finish it - it grips like an octopus, and Turow unwinds the plot with brilliant cat-and-mouse meanness *Sunday Times* Phenomenal... a powerful study of ambition, weakness, hypocrisy and American 'justice' *Sunday Express* Impossible to put down *Evening Standard* A riveting performance *Observer* Politics, sex and death. Who could ask for anything more? *Washington Post*
