The McKinsey Way By Ethan Rasiel

"If more business books were as useful, concise, and just plain fun to read as THE MCKINSEY WAY, the business world would be a better place." --Julie Bick, best-selling author of ALL I REALLY NEED TO KNOW IN BUSINESS I LEARNED AT MICROSOFT.

"Enlivened by witty anecdotes, THE MCKINSEY WAY contains valuable lessons on widely diverse topics such as marketing, interviewing, team-building, and brainstorming." --Paul H. Zipkin, Vice-Dean, The Fuqua School of Business

It's been called "a breeding ground for gurus." McKinsey & Company is the gold-standard consulting firm whose alumni include titans such as "In Search of Excellence" author Tom Peters, Harvey Golub of American Express, and Japan's Kenichi Ohmae.

When Fortune 100 corporations are stymied, it's the "McKinsey-ites" whom they call for help. In THE MCKINSEY WAY, former McKinsey associate Ethan Rasiel lifts the veil to show you how the secretive McKinsey works its magic, and helps you emulate the firm's well-honed practices in problem solving, communication, and management.

He shows you how McKinsey-ites think about business problems and how they work at solving them, explaining the way McKinsey approaches every aspect of a task:

How McKinsey recruits and molds its elite consultants;

How to "sell without selling";

How to use facts, not fear them;

Techniques to jump-start research and make brainstorming more productive;

How to build and keep a team at the top its game;

Powerful presentation methods, including the famous waterfall chart, rarely seen outside McKinsey;

How to get ultimate "buy-in" to your findings;

Survival tips for working in high-pressure organizations.

Both a behind-the-scenes look at one of the most admired and secretive companies in the business world and a toolkit of problem-solving techniques without peer, THE MCKINSEY WAY is fascinating reading that empowers every business decision maker to become a better strategic player in any organization.

Editorial Review

Amazon.com Review

The McKinsey Way, by former McKinsey & Company associate Ethan M. Rasiel, provides a through-the-keyhole perspective on the way this worldwide consulting institution approaches--and solves--the myriad professional problems encountered by its high-powered clientele. His goal, Rasiel writes, is simple: to communicate "new and useful skills to everyone who wants to be more useful in their business." He then does so by explaining the highly structured, fact-based proprietary methodology that McKinseyites are taught to employ with their Fortune 100 clients, complete with details on the entire process from first considering the basic situation at hand through finally selling a solution to the appropriate powers that be.

All of the critical steps (assembling a team, managing a hierarchy, doing research, conducting interviews, brainstorming) are broken down into specific actions and fleshed out with applicable examples that Rasiel has gathered through interviews with dozens of other former McKinsey employees. The concluding sections on surviving the mythically grueling pace at the organization, known simply to insiders as "the Firm," are designed to help readers successfully tackle the similar challenges and obstacles they regularly face in their own work environments. --Howard Rothman

From the Back Cover

Penetrate the McKinsey mystique and learn the secrets of the world's most sought after consulting firm.

Praise for *The McKinsey Way*:

"If more business books were as useful, concise, and just plain fun to read as *The McKinsey Way*, the business world would be a better place." Julie Bick, Best-selling author of *All I Really Need to Know in Business I Learned at Microsoft*

"Enlivened by witty anecdotes, *The McKinsey Way* contains valuable lessons on widely diverse topics such as marketing, interviewing, team-building, and brain-storming." Paul H. Zipkin, Vice-Dean, The Fuqua School of Business, Duke University

"Apt to become the reference book on business management. With the help of *The McKinsey Way*, managers can approach issues they face as if they had a McKinsey expert beside them. It will certainly help those of use who cannot afford McKinsey!" Mord Weisler, Chairman, PRI Automation, Inc

"The closest thing to getting three years of consulting experience in three hours." John Alsop, President, Progress Software

"*The McKinsey Way* describes a course of analysis that is very powerful, well-written, and effective." Peter A. Brooke, Chairman, Advent International

About the Author

Ethan M. Rasiel joined McKinsey & Co.'s New York office in 1989 and worked there until 1992. While at "the firm", his clients included major companies in finance, telecommunications, computing, and consumer goods sectors. Before working at McKinsey, he worked as an equity fund manager at Mercury Asset

Management in London. He has also worked as an investment banker. He has a bachelor's degree from Princeton University and an MBA from the Wharton School at the University of Pennsylvania.

Users Review

From reader reviews:

Teresa Brown:

Book is to be different per grade. Book for children until finally adult are different content. As you may know that book is very important usually. The book The McKinsey Way ended up being making you to know about other know-how and of course you can take more information. It is very advantages for you. The book The McKinsey Way is not only giving you more new information but also to be your friend when you experience bored. You can spend your own personal spend time to read your book. Try to make relationship with all the book The McKinsey Way. You never really feel lose out for everything when you read some books.

Margaret Padua:

This The McKinsey Way book is not really ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is actually information inside this publication incredible fresh, you will get details which is getting deeper a person read a lot of information you will get. This The McKinsey Way without we understand teach the one who reading through it become critical in contemplating and analyzing. Don't be worry The McKinsey Way can bring whenever you are and not make your carrier space or bookshelves' turn out to be full because you can have it in your lovely laptop even mobile phone. This The McKinsey Way having very good arrangement in word as well as layout, so you will not sense uninterested in reading.

Mario Curtin:

This The McKinsey Way is great book for you because the content which is full of information for you who have always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great manage word or we can declare no rambling sentences inside it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with lovely delivering sentences. Having The McKinsey Way in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world inside ten or fifteen tiny right but this e-book already do that. So , this is good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Stephen Redmond:

In this era globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The particular book that

recommended for you is The McKinsey Way this book consist a lot of the information with the condition of this world now. This specific book was represented how does the world has grown up. The dialect styles that writer require to explain it is easy to understand. Typically the writer made some investigation when he makes this book. That's why this book suited all of you.
