Tintin Au Tibet (French Edition) By Herge

12 x 9 x 0.5 Inches The Adventures of Tintin (Les Aventures de Tintin) is a series of comic strips created by Belgian artist Herge the pen name of Georges Remi (1907 1983). The series first appeared in French in Le Petit Vingtieme, a children's supplement to the Belgian newspaper Le Vingtieme Siecle on 10 January 1929. Set in a painstakingly researched world closely mirroring our own, Herge's Tintin series continues to be a favorite of readers and critics alike 80 years later.

The hero of the series is Tintin, a young Belgian reporter. He is aided in his adventures from the beginning by his faithful fox terrier dog Snowy (Milou in French). Later, popular additions to the cast included the brash, cynical and grumpy Captain Haddock, the bright but hearing-impaired Professor Calculus (Professeur Tournesol) and other colorful supporting characters such as the incompetent detectives Thomson and Thompson (Dupond et Dupont). Herge himself features in several of the comics as a background character; as do his assistants in some instances.

The success of the series saw the serialized strips collected into a series of albums (24 in all), spun into a successful magazine and adapted for film and theatre. The series is one of the most popular European comics of the 20th century, with translations published in over 50 languages and more than 200 million copies of the books sold to date.

The comic strip series has long been admired for its clean, expressive drawings in Herge's signature ligne claire style. Engaging, well-researched plots straddle a variety of genres: swashbuckling adventures with elements of fantasy, mysteries, political thrillers, and science fiction. The stories within the Tintin series always feature slapstick humor, accompanied in later albums by sophisticated satire, and political and cultural commentary.

Editorial Review

About the Author

Herge (Georges Remi) was born in Brussels in 1907. Over the course of 54 years he completed 23 albums of The Adventures of Tintin series, which is now considered to be one of the greatest, if not the greatest, comics series of all time. With translations published in over 80 languages, more than 230 million copies sold worldwide and a Hollywood movie to its name, Tintin dominates the Comics and Graphic Novels chart even today. Sadly, Herge died in 1983, leaving his 24th album, Tintin and Alph-Art, unfinished, but his hero continues to be one of the most iconic characters in both adult and children's fiction.

Andrew Sessions:

Is it you actually who having spare time then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Tintin Au Tibet (French Edition) can be the respond to, oh how comes? It's a book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

Erica Lewis:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Tintin Au Tibet (French Edition) can make you really feel more interested to read.

Kyra Franson:

What is your hobby? Have you heard that question when you got learners? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person including reading or as looking at become their hobby. You must know that reading is very important in addition to book as to be the thing. Book is important thing to include you knowledge, except your own teacher or lecturer. You will find good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is this Tintin Au Tibet (French Edition).
