Editorial Review

Review

“After helping young readers gently end their days in *Good Night Yoga* (2015), Gates and Hinder return with a salutation for their mornings. . . Hinder's playful illustrations animate Gates' descriptions and affirmations. Each character fully embodies his or her pose as if ready to leap off the page. The balance of bold and soft colors mirrors the energizing yet focused movements of the stretches. Young readers will easily see themselves in one of the many diverse children in the book. Also included are a recap of the poses with short instructions and a guided visualization that adults can read to children. An energizing yoga practice portrayed by lively and diverse characters that should inspire multiple readings.”

—**Kirkus Reviews**

“This book lays the groundwork for our kids, and it can springboard them into the world with confidence, resiliency, and a deep awareness and connection to what is best in us. *Good Morning Yoga* teaches kids (and adults) how to connect to that deepest part of ourselves through some very simple steps. A great book that can give our kids the fundamentals of a good life—a life that comes from living from the inside out.”

—**Congressman Tim Ryan**, author of *A Mindful Nation: How a Simple Practice Can Help Us Reduce Stress, Improve Performance, and Recapture the American Spirit*

“Mariam Gates’ ability to entertain while teaching correct yoga poses at the same time amazes me. *Good Morning Yoga* is perfect for kids, but I have to admit that I had a blast practicing while reading it, so I wouldn’t limit it only to young yogis. This book is perfect for anyone looking to incorporate a fun yoga practice into their children’s lives. I can just picture families and classrooms full of kids memorizing and reciting the practice in unison as they go through Mariam’s brilliant routine. This should be a part of every school’s curriculum and family’s wake-up ritual.”

—**Kathryn Budig**, yoga teacher and author of *Aim True*

“Reading through *Good Morning Yoga* is a delightful excursion into yoga for kids. Mariam Gates weaves in the beautifully illustrated yoga postures in such a uniquely creative and exciting way. From fiery volcano and noble mountain to playful doggies and gentle streams, yoga becomes something that is just plain fun to do—even for us old folks! Young children are going to LOVE this book. It’s just so gorgeous to look at. Take a breath and jump in. The birds begin to sing, the day dawns, and [kids] breathe in and breathe out. What a great way to start a young life. I wish I’d had this book when I was five!”

—**Beryl Bender Birch**, author of *Power Yoga*, *Beyond Power Yoga*, and *Yoga for Warriors*

“As a mother and as a yogini, the importance of sharing yoga with our youngest generation is paramount. Imagine a world where every child learned the poses in this beautiful book. I know *Good Morning Yoga* is going to help make the world a better place.”

—**Sarah Gardner**, founder, Yoga Reaches Out

“This joyful and inspiring book offers an incredible way to start your child’s day. It’s filled with adventure and possibility—a perfect balance of story and practice. My daughter loved it and immediately asked to read it again. When we tried the sequence together, it felt as good for me as I imagine it did for her.”

—**Jennifer Cohen Harper**, author, *Little Flower Yoga for Kids: A Yoga and Mindfulness Program to Help Your Child Improve Attention and Emotional Balance*

“Mariam Gates has done it again. She brings beautiful cadence to a series of postures with which kids can engage time and time again. Your family will love this accessible adventure into yoga, and the pitch of Mariam’s poetry is perfect. Kids of all ages will remember the rhythm of her rhymes for years to come.”
