Having My Baby By Theresa Ragan

“Mr. Baylor,” the officer said, “have you ever met either of these women?”

Derrick’s mind was numb, but somehow he managed to say, “No. Never.”

“You’re making the ladies nervous, and truthfully, you’ve got me wondering too—what is your business with this woman?”

Derrick pried his gaze from the woman’s stomach and raised his eyes to hers. “She’s having my baby.”

~~~

Growing up, Jill Garrison never daydreamed about having the perfect wedding. Instead, she dreamt about having a baby. Boy or girl, it didn’t matter. Unfortunately, her fiancé, the man she falls in love with, can’t have children. Determined to realize her lifelong dream of having a baby, Jill spends years searching for a company (CryoCorp) that provides high quality donor sperm. Everything is right in Jill’s world until her wedding day when her fiancé leaves her at the altar to be humiliated before friends and family. She doesn’t waste any time moving from New York City to California to start over. And she keeps her appointment with Cryocorp. She may never have the wedding or the husband, but nothing is going to stop her from having a baby. She’s tired of everyone telling her what to do. The baby she’s carrying is hers and hers alone. Nobody can take that away from her.

Or can they?

Editorial Review

About the Author

Theresa didn't know she wanted to be a writer until she read Jude Deveraux's *A Knight in Shining Armor* in 1992. She spent the next five years researching medieval times and writing *Return of the Rose*. She was also working full time and raising four children, but she knew she was a writer when nothing could stop her from getting the words to the page. She has garnered six Golden Heart nominations in Romance Writers of America's prestigious Golden Heart Competition for her work. After 19 years of rejections from traditional publishers, Theresa self-published in 2011 and went on to sell over 300,000 books in a little over a year. She recently signed her first publishing contract with Thomas & Mercer. Theresa writes medieval time travels, contemporary romance, romantic suspense, and thrillers under the name T.R. Ragan.
