**The Anti-New York Times / 2015 / Quarter 1: Rebuttals to the Lies, Omissions and New World Order Bias of 'The Paper of Record' (Volume 1)**  
By M S King

Since its founding in 1851 by Republican Henry Jarvis Raymond, The NY Times has been a big player in shaping public opinion. But it was not until 1896 that the Times took a turn to the internationalist Left when it was purchased by a German-Jew named Adolph Ochs. In 1897, Ochs himself would coin the paper's now famous self-serving slogan, printed on its masthead every day ever since: "All the News That's Fit to Print". Ochs' daughter married Arthur Hays Sulzberger, who became publisher when Adolph died. Ochs' great grandson Arthur Ochs Sulzberger, Jr. is the publisher of the NY Times today. So, for 1.2 centuries, America's most influential propaganda sheet has been in the hands of the same Zionist-Marxist family. Count on The Times to promote big government, Globalism, phony environmentalism, Israel, the Fed, and endless wars. Just how powerful is what your fighting author likes to refer to "Sulzberger's Slimes"? The erudite writer Gore Vidal may have been a morally degenerate sodomite who was wrong about many things, but his reference to the Slimes as "the Typhoid Mary of American journalism" was as spot-on as it was witty. One need only glance at the morning headlines of "the paper of record", and then take note of how the superficial infomercials known as "the Nightly News" will so often pick up on whatever front page fairy-tale that the Manhattan Mendacity Machine spun that very same morning. Like some journalistic plague; the virus of lies, half-truths and cherry-picked data then infects the unguarded minds of the whole country, and indeed, the world. Such is the indisputable power and undeserved "prestige" of this dreadful "Orwellian" institution. The Anti-New York Times was originally established as, and still is, a pay-to-view daily sub-page of TomatoBubble.com. Beginning in 2015, the collected rebuttals to the Slimes' Spin were published in Quarterly book format – which you now hold in your hands. To best understand the bare-knuckled and often humorous rebuttals, it is recommended that readers also purchase and study, Planet Rothschild: The Forbidden History of the New World Order. That will give you a firm grounding in REAL history while The Anti-New York Times informs you of the contemporary world which had grown out of that tragic history. When gathered in one place, the rebuttals expose The Slimes as a deceitful naked Emperor. If the Slimes is the disease of deception, let The Anti-New York Times be your antidote of truth.

## **Editorial Review**

### **About the Author**

M. S. King is a private investigative journalist and researcher based in the New York City area. A 1987 graduate of Rutgers University, King's subsequent 30 year career in Marketing & Advertising has equipped him with a unique perspective when it comes to understanding how "public opinion" is indeed scientifically manufactured. Madison Ave marketing acumen combines with 'City Boy' instincts to make M.S. King one of the most tenacious detectors of "things that don't add up" in the world today. Says King of his admitted quirks, irreverent disdain for "conventional wisdom", and uncanny ability to ferret out and weave together important data points that others miss: "Had Sherlock Holmes been an actual historical personage, I would have been his reincarnation." King is the webmaster of TomatoBubble.com – which also features The Anti-New York Times for select readers. King's other interests include: the animal kingdom, philosophy, chess, cooking, literature and history (with emphasis on events of the late 19th through the 20th centuries).

## **Users Review**

### **From reader reviews:**

#### **Irene Vaughan:**

Many people spending their time period by playing outside with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by looking at a book. Ugh, think reading a book will surely hard because you have to bring the book everywhere?
