An obsession that blooms into scandal

Since childhood, Ryan Donally adored Rachel Bailey, though the brilliant, beautiful lass saw him as just another rowdy boy. The years pulled them apart, carrying Rachel to a place of responsibility and respect few women of her time enjoyed . . . while Ryan ascended to undreamed-of heights of wealth and success, and bound his heart to another.

Now fate has brought them together once again—and Rachel sees not the boy she once spurned, but a breathtaking man she desires. Yet Ryan has moved on and is unwilling to forgive, and Rachel hides a secret shame that could destroy everything she has worked for. Then, in one moment of unrestrained passion, the walls between them tumble, and the price they must pay is a marriage neither can afford. But will a sensuous fire too-long resisted bring tragedy . . . or will it forge a glorious and undying love?

Editorial Review

About the Author

Melody Thomas is a wordsmith, a creator of dreams, and a passionate believer in happy endings. A product of thirteen schools and twenty-two moves stretching across the United States and Europe, she is a self-proclaimed gypsy. Her fascination with historical romance began when, in her teens, she visited the Tower of London and learned that Henry the Eighth had beheaded two of his wives. This was great fodder for her teenage imagination and the start of a love affair with history, intrigue, and irresistible heroes.
