Therapeutic Recreation Program Design: Principles and Procedures (5th Edition) By Norma J. Stumbo, Carol Ann Peterson

Therapeutic Recreation Program Design uses the most up-to-date information and powerful study tools to help readers learn how to synthesize different elements of therapeutic recreation into one cohesive program. The *Fifth Edition* features an improved organization that guides students through the theory and practice of therapeutic recreation programming in a way that fully prepares them to work effectively in the industry. Conceptual Foundations: The Basis for Service Development and Delivery, The Leisure Ability Model, Therapeutic Recreation Services: Important Considerations, Therapeutic Recreation Accountability Model, Comprehensive Program Design, Specific Program Design, Activity Analysis, Activity Selection and Implementation, Treatment and Diagnostic Protocols, Client Assessment, Client Documentation, Program and Client Evaluation, Professionalism and Accountability: Challenges for the Future. Intended for those interested in learning the basics of therapeutic recreation program design.

About the Author

Norma Stumbo is a respected author and educator at the leading edge of the therapeutic recreation field, and has been the lead author on **Therapeutic Recreation Program Design** since the third edition. She boasts the highest name recognition in the world in the TR field. A prolific writer and researcher, Stumbo has received numerous awards throughout her career, such as the Presidential Citation from the National Therapeutic Recreation Society (2006), the Jorndt Outstanding Graduate Student/Faculty Mentor Award (Illinois State University, 2004), and the Outstanding University Researcher Award (Illinois State University, 1998). She taught for more than two decades at Illinois State University and is currently coordinating a National Science Foundation grant at the University of Illinois at Urbana-Champaign.

Carol Peterson is another universally-known name in the field of therapeutic recreation. She has spent over 20 years as a university faculty member in the discipline. Her text, **Therapeutic Recreation Program Design**, is considered the Bible of therapeutic recreation. She is a founding member of the American Therapeutic Recreation Association and was president of the National Therapeutic Recreation Society from 1980-81. She is the former Dean of the College of Human Performance and Development at the University of Nevada, Las Vegas. She is now retired, but is actively engaged in professional development of current TR practitioners through workshops and presentations.

Users Review

From reader reviews:
