Five Brides and One Enchanted Wedding Gown

Kate Winton-Jones is marrying one of America's most eligible bachelors; Edward Carnarvon III is rich, handsome and hers. But at the final fitting of her wedding gown, one of the seamstresses pricks her and a tiny blood spot appears on the outrageously expensive gown. Its famous designer fires the clumsy seamstress on the spot, whereupon the girl puts a curse on the dress and storms out. Kate doesn't believe in curses. She's modern, American and in love with the perfect guy. What could go wrong?

But that very evening she meets a man who makes her question her future.

And then she discovers that Edward has been hiding a secret or two... and before she can say, "*This dress is so cursed,*" she's on the run from Edward, his family, her mother, the paparazzi and the person she thought she was.

When she finds herself falling for a sexy private investigator, she decides it's time to throw her cautious good sense out with the satin shoes she won't be wearing. Playing it safe hasn't done her much good. Maybe it's time to play by a new set of rules. Her rules.

Kate discovers that sometimes Mr. Right isn't the one you thought he was.

Follow an enchanted wedding dress as four more women join *The Almost Wives Club* in this book romantic comedy series. Each is a standalone novel.

"Ms. Warren packs a lot of excitement into this love story and I really liked the

way she brought about Kate and Nick's relationship. I don't think I will ever forget how Kate felt when she was betrayed by the people who were supposed to care about her most. Overall, this is well-written and interesting romance that twists and turns in all the right places. I am truly looking forward to reading the second book in the series"
