Editorial Review

Review

"This book is of value not only for radiologists but also for obstetricians and gynecologists. It is a well-written book and is highly recommended." **Reviewed by:** Christina Kinnander, Herlev Hospital on behalf of Acta Radiologica, November 2015

"...this book upholds the high standards of the Requisites series and will be invaluable to both novice and experienced practitioners alike...if I could afford to buy only one text this year, I'd have this one."

-RAD Magazine, March 2016
