Editorial Review

Review

- "This one has all the parts a good book should have, sweet, sad, sexy, passion, and mystery. You felt compelled to keep reading to find out what happens next." -Sexy Erotic Exciting review
- "Hunky men in menage relationship. What is not to love. Not only did this story deliver on the romance in the menage but there was so much more to it. The story does not strictly revolve around the bedroom scenes. I actually prefer reading a story line somewhere in between the sex scenes so I was enjoying this story."... [The] author did a great job with the story line. I loved how the three of them discovered one another while allowing Amber to get to know these two men one on one and then with the three of them together. I also liked how the story did not simply jump from sex scene to another sex scene but instead allowed us to get to know the characters, their families and finally to solve the mystery of the mercy deaths." -BitsofBooks Review-Monica
