### US History and Government 2013 (Prentice Hall Brief Review for the New York Regents Exam)

excellent review book By Amazon Customer on February 10, 2014 Covers all important info and big ideas for regents US History. Our district has a very old, difficult to read textbook. This review book is a lifesaver...without it my son would be scouring the internet for info that wasn't in his class notes. This is an excellent resource for my son to use both during the year and when prepping for the exam. Had to buy the answer key separately, but glad it was available. A good purchase.
