The Communist Manifesto (Arabic Edition) By Karl Marx, Frederick Engels

Founding document of the modern revolutionary workers movement, published in 1848. Explains why communism is not a set of preconceived principles but the line of march of the working class toward power, “springing from an existing class struggle, a historical movement going on under our very eyes.”

Notes, index.

Also Available in: English, Spanish, French, Farsi

Editorial Review

About the Author

Described as one of the most influential figures in human history, Karl Marx was a German philosopher and economist who wrote extensively on the benefits of socialism and the flaws of free-market capitalism. His most notable works, *Das Kapital* and *The Communist Manifesto* (the latter of which was co-authored by his collaborator Friedrich Engels), have since become two of history's most important political and economic works. Marxism—the term that has come to define the philosophical school of thought encompassing Marx's ideas about society, politics and economics—was the foundation for the socialist movements of the twentieth century, including Leninism, Stalinism, Trotskyism, and Maoism. Despite the negative reputation associated with some of these movements and with Communism in general, Marx's view of a classless socialist society was a utopian one which did not include the possibility of dictatorship. Greatly influenced by the philosopher G. W. F. Hegel, Marx wrote in radical newspapers from his young adulthood, and can also be credited with founding the philosophy of dialectical materialism. Marx died in London in 1883 at the age of 64.

Users Review

From reader reviews:

Keith Cochran:

Book is to be different for each grade. Book for children until eventually adult are different content. We all know that that book is very important usually. The book *The Communist Manifesto (Arabic Edition)* was making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The book *The Communist Manifesto (Arabic Edition)* is not only giving you much more new information but also being your friend when you really feel bored. You can spend your spend time to read your e-book. Try to make relationship with the book *The Communist Manifesto (Arabic Edition)*. You never truly feel lose out for everything if you read some books.

Walter Harman:

Your reading 6th sense will not betray you actually, why because this *The Communist Manifesto (Arabic Edition)* guide written by well-known writer we are excited for well how to make book that may be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your own personal hunger then you still uncertainty *The Communist Manifesto (Arabic Edition)* as good book not just by the cover but also by the content. This is one book that can break don't judge book by its handle, so do you still needing a different sixth sense to pick this kind of!? Oh come on your reading sixth sense already alerted you so why you have to listening to an additional sixth sense.

Teresa Bradshaw:

In this period globalization it is important to someone to find information. The information will make anyone

to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The book that recommended for your requirements is The Communist Manifesto (Arabic Edition) this publication consist a lot of the information of the condition of this world now. This particular book was represented just how can the world has grown up. The words styles that writer use to explain it is easy to understand. Typically the writer made some investigation when he makes this book. That is why this book acceptable all of you.

Ethel Springer:

Many people spending their time period by playing outside along with friends, fun activity using family or just watching TV all day long. You can have new activity to pay your whole day by examining a book. Ugh, think reading a book can definitely hard because you have to take the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Cell phone. Like The Communist Manifesto (Arabic Edition) which is obtaining the e-book version. So , try out this book? Let's notice.
