Editorial Review

From the Author

Jessie will not compromise on her life. She's put up with years of alady's college back East to get what she wants, and that is a lifeworking on a ranch. I enjoyed writing about her, and the Englisharistocrats who appreciate her skills, both on the ranch and in theirbed.

About the Author

I admire those who choose adventure and the chance of a better lifeelsewhere. *Compromised Cowgirl* tellsthe story of three men who did just that. So did my ancestors.

In the eighteen hundreds, the feudal right of primogeniture ruledEngland. This meant the eldest male inherited everything. William, my ancestor,was the third brother of ten children. Just like Ace, Sin and Henry, he sailedacross the Atlantic and found a better life.

I don't have their need for adventure. I'm of medium height, mediumbuild, and I sit in an office in front of a computer for my day job. To behonest, I'm rather boring. It's the characters in my head who have adventures.

My writing does give me an excuse to do interesting things asresearch. In August of 2010 I spent two weeks driving around southwest Montana, researching thefictional town of Tanner'sFord. I fell in love with the wide blue skies and wonderful people.

I came home with a suitcase full of research books, a camera full ofphotos and wonderful memories to bring to life through my characters.

If I'm not at my day job, you'll usually find me in front of mykeyboard, surrounded by pictures of hunky cowboys, crafting the lives ofTanner's Ford heroes and Bride Train heroines.
