Physics Technology Update (4th Edition) By James S. Walker

Get Print Book

Note: This is just the standalone book and will not include access code.

Walker's goal is to help you make the connection between a conceptual understanding of physics and the various skills necessary to solve quantitative problems. The pedagogy and approach are based on over 20 years of teaching and reflect the results of physics education research. Already one of the best-selling textbooks in algebra-based physics, The Fourth Edition strengthens both the conceptual foundations and the tools for problem solving to make the book even better suited to today's students.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

0321975391 / 9780321975393 Physics Technology Update, MasteringPhysics with eText and Access Card 4/e

Package consists of:

0321867246 / 9780321867247 Modified MasteringPhysics with Pearson eText -- ValuePack Access Card -- for Physics Technology Update

0321903080 / 9780321903082 Physics Technology Update
