**Sociology** By John J. Macionis

Get Print Book

The title says it all. This tenth edition of the best-selling *Sociology* is a comprehensive book and multimedia package that offers readers a **global perspective** to help them better understand their own lives, provides a strong focus on **social diversity** that allows them to see the impact of race, class, and gender, and focuses on **critical thinking**. With technology integrated *throughout*, this new edition features new research citations, more social theory applications, additional references to pop culture linking directly to sociological material. Covering all aspects of sociology, this book describes sociological investigation, culture, society, interaction in everyday life, groups and organizations, deviance, sexuality, social stratification, social class in the United States, global inequality, gender stratification, race and ethnicity, aging, the economy, politics and government, family, religion, education, health and medicine, population and urbanization, collective behavior and social movements, and social change. An excellent resource for professionals in the field of sociology, this book is also an excellent read for non-academic hobbyists and life-long learners.
