About This Edition

From the Publisher

New Features

- *Clean Energy*: For readers who are interested in creating green collar jobs, updates throughout the text reflect sweeping changes in the laws surrounding photovoltaics and clean energy technology in general.
- *Boards of Directors*: Examine up-to-the minute, hot issues such as recent litigation involving Citigroup in which the independent directors were not held liable for failing to anticipate the crash of the subprime mortgage market.
- *Employment, Covenants, and Discrimination*: Readers are introduced to the myriad legal issues in employment today, such as covenants not to compete, independent contractor status, actionable activities under Title VII, governmental bodies as sources of public policy, and substance abuse in employment discrimination. The text also delves into the latest ADA amendments, new federal minimum wage guidelines, changes to the Vietnam Era Veteran's Readjustment Assistance Acts, the Patient Protection and Affordable Care Act of 2010, and even the potential legal affects of social networking sites.
- *Many New "From the Trenches"*: Illustrate the most current issues with new boxed features about the Uniform Electronics Act, recent litigation surrounding the contraceptive Yaz, California's new Song-Beverly Act, a Nissan case involving the Magnuson-Moss Warranty Act, the Sarbanes-Oxley Act, and others.
- *Bankruptcy*: Demonstrate the dangers and complexities of creditors' rights and bankruptcy with the Supreme Court's treatment of nonexclusive patent licenses where the debtor company is the licensee.

Additional Features

- *Boxed Features*: Found throughout the book, these "From the Trenches" boxes include fascinating examples from successful entrepreneurs and venture capitalists. Many based on actual cases, they help users avoid the traps that others failed to recognize.
- *"Putting it into Practice"* Example: Based on a hypothetical, clean-technology company, this example spans the entire text and follows an entrepreneur through the phases of starting a new venture. As they practice spotting legal issues and outlining solutions in this example, readers grow more prepared for a future in business ownership.
- *"Getting It in Writing"* Section: Users get the practice they need preparing essential legal documents with the samples provided in this feature, such as a venture capital term sheet and an independent contractor services agreement.
- *Exhibits*: *Exposure to key concepts* and terms in these exhibits placed throughout the text helps users

recognize and better understand the most critical legal issues.
