Essential Muir: A Selection of John Muir's Best Writings (Essential) (California Legacy Book) By Fred D. White

An introduction to the great "poetico-trampo-geologist-botanist and ornithologist-naturalist"

Preservationist. Inventor. Lobbyist. John Muir was many things at once, and he is California's best-known icon--so much so that his image was chosen to appear on the new state quarter. But the best way to know the man who founded the Sierra Club and helped create Yosemite National Park is to read his own words.

Essential Muir is the second volume in the California Legacy Essentials Collection. Taking the best of John Muir's writings on nature--in which he waxes ecstatic even as he accurately describes the scientific attributes of a flower--as well as his thoughts on religion and society, this book presents a fresh look at one of California's greatest literary figures. His love for nature was so powerful--and his description of it so compelling--it still inspires us a century later.

Editorial Review

About the Author

John Muir was born in Scotland in 1838, and made many expeditions to Alaska and the Sierra Nevadas in California throughout his life. After his adventure with Stickeen in 1880, Muir continued to travel the world and educate people about Yosemite and the natural world. Muir died in 1914.

Fred White is an associate professor of composition and directed the writing program at Santa Clara University from 2003 to 2005. His books include *The Well-Crafted Argument* (with Simone Billings), *Lifewriting*, *Communicating Technology*, *Science and the Human Spirit*, and *The Writer's Art*.

Users Review

From reader reviews:

Milton Jones:

As people who live in typically the modest era should be change about what going on or details even knowledge to make these individuals keep up with the era and that is always change and progress. Some of you maybe will probably update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Essential Muir: A Selection of John Muir's Best Writings (Essential) (California Legacy Book) is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Florence Adams:

Playing with family in a park, coming to see the sea world or hanging out with buddies is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with.
