Editorial Review

About the Author

Michael J. Sandretto is a lecturer at the University of Illinois, a valuation consultant, and an economic damages expert witness. He is also president and co-founder of Investments Analytics, Inc., a firm that develops valuation software. Sandretto earned his doctorate at University of Illinois and was corporate controller of Knowles Electronics in Chicago. He has taught courses in financial reporting, financial statement analysis, cost and managerial accounting, and a wide range of executive development classes, including those for four of the five largest Chinese banks. He has written more than 100 cases since leaving Harvard and has thoroughly tested them in his classes.

Users Review

From reader reviews:

Simona Vela:

In this 21st century, people become competitive in every single way. By being competitive now, people have to do something to make all of them survive, being in the middle of the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yes, by reading a publication your ability to survive increases then having a chance to remain than other is high. To suit your needs who want to start reading the book, we give you this particular Cases in Financial Reporting book as a beginner and daily reading book. Why, because this book is greater than just a book.

Caroline Gonzalez:

Reading a reserve tends to be a new life style within this era of globalization. With studying you can get a lot of information that could give you benefit in your life. Using books everyone in this world can share their idea. Publications can also inspire a lot of people. Lots of authors can inspire their particular reader with their story or even their experience. Not only the story that is shared in the books. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of books that you can get now. The authors in this world always try to improve their talent in writing, they also do some study before they write with their book. One of them is this Cases in Financial Reporting.

John Damm:

Many people spend their time frame by playing outside with friends, fun activity with family or just watching TV all day every day. You can have new activity to pass your whole day by reading through a book. Ugh, do you think reading a book can be definitely hard because you have to use the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smartphone. Like Cases in Financial Reporting which is getting the e-book version. So, try out this book? Let's observe.

Jackie Armstrong:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Cases in Financial Reporting can make you feel more interested to read.
