The Romance of the Rose (Oxford World's Classics) By Guillaume de Lorris, Jean de Meun

This is a new translation of *The Romance of the Rose*, an allegorical account of the progress of a courtly love affair which became the most popular and influential of all medieval romances. In the hands of Jean de Meun, who continued de Lorris's work, it assumed vast proportions and embraced almost every aspect of medieval life from predestination and optics, to the Franciscan controversy and the right way to deal with premature hair-loss.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
