The Alien King's Baby: Sci-fi Alien Romance (Men of Omaron) By Shea Malloy, Juno Wells

“I want you,” he groaned against her lips.

He's tall, arrogant and sexy. He's an alien king who saved her life one moment then abducted her the next.

Oh, yeah, and she's pregnant with his baby.

Wait. *What?*

A receptionist at a straw supply company, Megan Landay is content with her ordinary life. Sure she still harbours some resentment toward her asshole ex, but that's normal. What's not normal is the sudden appearance of the skilled alien warrior, Mikaal Ahrisi. Even worse is his arrogant demand she stay on his planet long enough to give birth to his child.

The petite human female isn't Mikaal's ideal choice as a mother to his offspring, but he no longer has a choice in the matter. Feisty and stubborn beyond reason, she's not like any of the women on his planet. Her presence in his life should be temporary, but as time passes he becomes uncertain if he should ever let her go.

The Alien King's Baby is a steamy sci-fi alien romance. It features a powerful alien king who knows what he wants...and what he wants most of all is the sassy heroine destined to carry his baby!

Books in the Men of Omaron series:

The Alien King's Baby (Megan and Mikaal)

The Alien General's Baby (Jillian and Jonnar)

The Alien Commander's Baby (Karen and Kess)

These books can be read on their own, but it improves the experience if they're read in order.
