Health Care Ethics (6th Edition) By Harold M. Baillie, John M. McGeehan, Thomas M. Garrett deceased, Rosellen M. Garrett

Get Print Book

Provides students with tools to identify the problems in health care.

Health Care Ethics is a clear, accessible text/reference that explores the full range of contemporary issues in health care ethics from a practical wisdom approach. The authors present the fundamental concerns of modern medical ethics—autonomy, beneficence, justice, and confidentiality—and then provide analysis, cases, and insights from professional literature to discuss them. Throughout, the discussion starts with larger issues or concepts and principles and then focuses on specific problems or complications.

Learning Goals

Upon completing this book, readers will be able to:

- Identify the problems in health care ranging from end of life issues to testing and research.
- Develop a more well-rounded understanding of cultural traditions that are not a part of the mainstream discussion of American medical ethics.
- Analyze the various views on health care ethics.

Editorial Review

Users Review

From reader reviews:

Lavonne Ouellette:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some study before they write to the book. One of them is this Health Care Ethics (6th Edition).

John Morris:

Spent a free time for you to be fun activity to perform! A lot of people spent their leisure time with their family, or all their friends. Usually they doing activity like watching television, likely to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? May be reading a book may be option to fill your free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to test look for book, may be the guide untitled Health Care Ethics (6th Edition) can be very good book to read. May be it can be best activity to you.

Henry Rodriguez:

This Health Care Ethics (6th Edition) is completely new way for you who has curiosity to look for some information given it relief your hunger info.
