## **Editorial Review**

### **Review**

Pullman sagely advises the uninitiated to put sound before sense, allowing the power of Milton's music to work its magic. --Wall Street Journal

### **From the Publisher**

This is the first fully-annotated, old-spelling edition of *Paradise Lost* to be published in this century. It surveys in its introduction and incorporates in its notes the large amount of criticism published between 1965 and the present--not to mention the criticism that began with Dryden, Addison, Samuel Johnson, and William Blake--and it reflects critical perspectives from New Criticism to Deconstruction, from Philology to New Historicism and Feminism. On the page, the book combines the look and feel of original editions with the convenience of wide margins and thorough annotation.

### **About the Author**

Gordon Teskey is Professor of English at Harvard University. He is the author of *Delirious Milton: The Poet in the Modern World and Allegory and Violence*, and co-editor of *Unfolded Tales: Essays on Renaissance Romance*.
