World War Moo: An Apocalypse Cow Novel By Michael Logan

It began with a cow that just wouldn't die. Yep. That's right. They're still un-dead, and now the disease has spread to humans. The epidemic that transformed Britain's bovine population into a blood-thirsty, brain-grazing, zombie horde...err...zombie herd... is threatening to take over the globe in Michael Logan's *World War Moo*.

And there's not much time left to stop it. All of Great Britain is infected and hungry. The rest of the world has a tough choice to make. Should they nuke the brits right off the map ? men, women, children, cows and all ? in the biggest genocide in history? Or should they risk global infection in a race against time to find a cure? With hungry zombies attempting to cross borders by plains, trains, boats, and any other form of transport available, it's only a matter of time before the virus gets out.

And if it does, there's only one answer. This means war.

Editorial Review

Review

“*Apocalypse Cow* treads that rare path between horrific and hilarious, which makes for a very fun read indeed. Give it a go.” ?*Christopher Moore, author of Lamb, Fool, and A Dirty Job*

“*Apocalypse Cow* made me snort with laughter.” ?*Terry Pratchett, author of the award-winning and bestselling Discworld novels*

“Logan has a flair for unique description ("a muscled chest that made Arnold Schwarzenegger's pecs look like burst balloons") and for painting a mental picture almost photographic in its clarity. An impressive start for an author who's going places.” ?*Publishers Weekly on Apocalypse Cow*

“*Apocalypse Cow* is a promising first novel, with a challenging premise that will be hard to top, so it'll be interesting to see what he has lined up next. Perhaps something equally horrifying (and hilarious) for the vegetarian set.” ?*Rue Morgue*

“This clever and very funny twist on the traditional zombie novel is exceedingly well executed (it approaches but never quite steps into parody territory), and it ends with a scene that pretty much demands a sequel. Great stuff for horror and fantasy fans.” ?*Booklist (starred) on Apocalypse Cow*

About the Author

MICHAEL LOGAN is a Scottish journalist whose career has taken him across the globe. He left Scotland in 2003 and has lived in Bosnia, Hungary, Switzerland and Kenya, where he is currently based with his wife and two young children. His short fiction has appeared in various literary journals, and a (very) short story of his won Fish Publishing's International One-Page Fiction Prize.

Users Review
