Language Notes

Text: English, French (translation)

About the Author

Simone Weil (1909-1943) was one of the twentieth century's most profound thinkers. In her early years, she was known for her brilliant and biting social commentary, and especially for the year she spent working in three Paris factories. After three profound religious experiences, she did not abandon her work on social problems, but also began to write truly original and penetrating religious and philosophical works that still bear on our times, writings that were only published after her death.

### **Users Review**

**From reader reviews:**

**Patti Metivier:**

What do you think about book? It is just for students because they're still students or that for all people in the world, the particular best subject for that? Only you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't want do that. You must know how great in addition to important the book First and Last Notebooks: Supernatural Knowledge (Simone Weil: Selected Works). All type of book would you see on many sources. You can look for the internet resources or other social media.

**Sergio Kelley:**
