Praying the Psalms, Second Edition: Engaging Scripture and the Life of the Spirit From Paternoster Press

A readable and powerful call, by a leading Old Testament scholar, to pray with and through the Psalms. Walter Brueggemann pushes his readers to recognize the full gamut of passions reflected in the Psalms: joy and exultation but also disappointment, sorrow, anger, resentment, even the desire for vengeance. We are invited into a daring relationship with the God who calls us to pray with honesty. In the spiritual classic readers are guided into a thoughtful and prayerful encounter with God through the Psalms. This new edition includes a thoroughly revised text, new notes and new bibliography. In *Praying the Psalms*, Brueggemann carefully guides us away from the bland colours of contemporary culture and into the ancient and extreme world of praise and lament. This is essential reading.
