CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) By Narbik Kocharians, Terry Vinson

Trust the best selling Official Cert Guide series from Cisco Press to help you learn, prepare, and practice for exam success. They are built with the objective of providing assessment, review, and practice to help ensure you are fully prepared for your certification exam.

CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2, Fifth Edition from Cisco Press enables you to succeed on the exam the first time and is the only self-study resource approved by Cisco. Expert instructors Narbik Kocharians and Terry Vinson share preparation hints and test-taking tips, helping you identify areas of weakness and improve both your conceptual knowledge and hands-on skills. This second of two volumes covers IP BGP routing, quality of service (QoS), wide area networks, IP multicast, network security, and Multiprotocol Label Switching (MPLS) topics.

This complete study package includes

- A test-preparation routine proven to help you pass the exams
- Do I Know This Already? quizzes, which enable you to decide how much time you need to spend on each section
- Chapter-ending exercises, which help you drill on key concepts you must know thoroughly
- The powerful Pearson IT Certification Practice Test software, complete with hundreds of well-reviewed, exam-realistic questions, customization options, and detailed performance reports
- A final preparation chapter, which guides you through tools and resources to help you craft your review and test-taking strategies
- Study plan suggestions and templates to help you organize and optimize your study time

Well regarded for its level of detail, study plans, assessment features, challenging review questions and exercises, this official study guide helps you master the concepts and techniques that ensure your exam success.

The official study guide helps you master topics on the CCIE Routing and Switching v5.0 exams, including:

- BGP operations and routing policies
- QoS
- WANs
- IP Multicast

- Device and network security and tunneling technologies
- MPLS

Editorial Review

About the Author

Narbik Kocharians, CCIE No. 12410 (Routing and Switching, Security, SP), is a Triple CCIE with more than 32 years of experience in the IT industry. He has designed, implemented, and supported numerous enterprise networks. Narbik is the president of Micronics Training, Inc. (www.Micronicstraining.com), where he teaches CCIE R&S and SP boot camps.

Terry Vinson, CCIE No. 35347 (Routing and Switching, Data Center), is a seasoned instructor with nearly 25 years of experience teaching and writing technical courses and training materials. Terry has taught and developed training content, as well as provided technical consulting for high-end firms in the north Virginia/Washington, D.C. area. His technical expertise lies in the Cisco arena with a focus on all routing and switching technologies as well as the latest data center technologies, including Nexus switching, unified computing, and storage-area networking (SAN) technologies. Terry currently teaches for CCIE R&S and Data Center Bootcamps for Micronics Training, Inc. and enjoys sailing and game design in his “free time.”

Users Review

From reader reviews:

Daniel McDonald:

Reading a book can be one of a lot of action that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new details. When you read a reserve you will get new information since book is one of a number of ways to share the information or maybe their idea. Second, reading through a book will make anyone more imaginative. When you looking at a book especially fictional book the author will bring one to imagine the story how the characters do it anything. Third, you could share your knowledge to others. When you read this CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition), you can tells your family, friends and also soon about yours publication. Your knowledge can inspire the mediocre, make them reading a e-book.

James Crist:

Do you have something that that suits you such as book? The publication lovers usually prefer to pick book like comic, limited story and the biggest one is novel. Now, why not attempting CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) that give your entertainment preference will be satisfied by reading this book. Reading practice all over the world can be said as the opportunity for people to know world far better then how they react to the world. It can't be explained constantly that reading routine only for the geeky person but for all of you who wants to become success person. So , for all of you who want to start studying as your good habit, you may pick CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) become your own personal starter.

Rebecca Bonnett:

This CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) is brand-new way for you who has fascination to look for some information mainly because it relief your hunger details. Getting deeper you in it getting knowledge more you know or else you who still having tiny amount of digest in reading this CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) can be the light food for yourself because the information inside this specific book is easy to get through anyone. These books produce itself in the form which can be reachable by anyone, yep I mean in the e-book application form. People who think that in e-book form make them feel sleepy even dizzy this reserve is the answer. So you cannot find any in reading a publication especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the item! Just read this e-book type for your better life as well as knowledge.

Mark Guerrero:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book was rare? Why so many issue for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) or perhaps others sources were given know-how for you. After you know how the truly amazing a book, you feel need to read more and more. Science publication was created for teacher or even students especially. Those ebooks are helping them to add their knowledge. In some other case, beside science guide, any other book likes CCIE Routing and Switching v5.0 Official Cert Guide, Volume 2 (5th Edition) to make your spare time considerably more colorful. Many types of book like this.
