Get Print Book

Managing Humans is a selection of the best essays from Michael Lopp's popular website Rands in Repose(www.randsinrepose.com). Lopp is one of the most sought-after IT managers in Silicon Valley, and draws on his experiences at Apple, Netscape, Symantec, and Borland. This book reveals a variety of different approaches for creating innovative, happy development teams. It covers handling conflict, managing wildly differing personality types, infusing innovation into insane product schedules, and figuring out how to build lasting and useful engineering culture. The essays are biting, hilarious, and always informative.

Editorial Review

About the Author

Michael Lopp is a veteran engineering manager who has never managed to escape the Silicon Valley. In over 20 years of software development, Michael has worked at a variety of innovative companies, including Apple, Netscape, Symantec, Borland International, and a startup that slowly faded into nothingness. In addition to his day job, Michael writes a popular technology and management weblog under the nom de plume "Rands," where he discusses his management ideas, worries about staying relevant, and wishes he had time to see more of the world. His weblog can be found at RandsinRepose.com. Michael lives in northern California, never far from the ocean.

Users Review

From reader reviews:

Alejandro Koenig:

Book will be written, printed, or created for everything. You can know everything you want by a publication. Book has a different type. As we know that book is important matter to bring us around the world. Close to that you can your reading ability was fluently.
