### Editorial Review

From the Back Cover

**The answers you need to the questions they ask.**

Talking about sex doesn't have to be a fear-filled challenge. *The Focus on the Family® Guide to Talking with Your Kids about Sex* shows you how to speak with confidence to your kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions your children have about sex. Focus on the Family's Physicians Resource Council, along with research from The Medical Institute for Sexual Health, provides you with the tools and encouragement you need in order to communicate effectively and biblically about sex, self-control, and self-respect at every stage of your child's development.

"As they grow, children have hundreds of questions about sex, dating, love, and marriage. This book has the biblically true, scientifically accurate, intensely practical, and thoroughly understandable answers you need to guide your child successfully through that maze. Every parent should read this book."--**David Stevens, MD**, CEO of Christian Medical & Dental Associations

**The Physicians Resource Council** is a panel of more than twenty-five physicians from across the United States and Canada that assists Focus on the Family on medical and health-related topics and provides guidance on bioethical issues.
