The Triumphs of Eugene Valmont By Robert Barr

Can Paris's most interesting detective make it in London?

Eugène Valmont was once considered one of Paris's top detectives. But a high-profile failure to recover the jewels of Marie Antoinette made him the laughingstock of the city, and in turn caused him to flee to the last place any self-respecting Parisian would ever want to be: London. Despite the stiffness of his English contemporaries and the red tape of their legal system, however, Valmont continues to try to solve crimes. Going toe-to-toe with the likes of his crime-fighting rival, Sherlock Holmes, Valmont will break any rule necessary to catch his man—no matter what the stakes.

Editorial Review

About the Author

Robert Barr (1850-1912) moved with his family from Scotland to Ontario when he was four years old and spent his formative years there. He moved to the United States in 1876 and was on the staff of the *Detroit Free Press*. In 1881 he moved to England and was co-editor until 1911 with Jerome K. Jerome of the *The Idler*. Although they have become relatively unfamiliar to contemporary students of Canadian literature, Barr's novels, short stories, and articles were well known and read in the latter nineteenth century, in Canada and elsewhere.

Users Review

From reader reviews:

Lewis Tuggle:
