### WORD SMART

The words you use say a lot about you. Some words say that you are smart, persuasive, and informed. Others say that you don't know what you're talking about. Knowing which words to use and how to use them are keys to getting the most from your mind and to communicating effectively.

Based on the best-selling book, **Word Smart** on cassette will help you learn the words you absolutely need to know. To find these words, the Princeton Review researched the vocabularies of educated adults. It analyzed newspapers like the *New York Times* and the *Wall Street Journal*, books from best-sellers to the classics, and standardized tests like the SAT and GRE. The words included in this interactive program are those that appear most frequently and are often misused or misunderstood.

Here's what **Word Smart** includes:

words grouped by subject  
concise, accurate definitions  
lively, humorous examples and stories to illustrate meanings  
mnemonics (memory devices)
