A Muslim's Guide to Happily Ever After By Rahat Husain

Despite the proliferation of the internet, smart phones and social media, Muslims find the process of finding someone to marry - and then actually marrying them - to be difficult and unwieldy. For Muslims, figuring out how to get married can be tricky at best. The purpose of this book is to provide a guide to Muslims on how to get married, in a way that respects the rules and guidelines of Islam. At the same time, this book takes into consideration the realities of living in the modern era, particularly in a Western society. “Rahat has done a great job in combining very useful advice with humorous anecdotes. This book is an important read for all Muslims looking to get married.” - Sheikh Mohammed Al-Hilli
