Editorial Review

About the Author

Dr. Murdaugh received a bachelor's degree in pharmacy and a doctorate in drug and materials toxicology from the University of Tennessee. While pursuing her doctorate, she was a fellow of the American Foundation for Pharmaceutical Education. She also completed a traineeship in acute care anticoagulation at Moses Cone Memorial Hospital and certification in asthma patient care at the University of Tennessee. She is currently a Director of Accreditation and Medication Safety for the Pharmacy Solutions business of Cardinal Health. Lee has over 27 years experience in the healthcare industry and in assisting more than 1000 hospitals in preparation for regulatory and accreditation surveys. Prior to joining Cardinal Health, she served as the Director of Pharmacy in a 535-bed tertiary care hospital.

Dr. Murdaugh's practice interests are in the areas of medication safety, accreditation, regulatory compliance, and competence assessment. Lee is an author and contributing author to several ASHP publications and has also published in professional journals such as *Hospital Pharmacy*. She is a frequent speaker to national and state pharmacy professional organizations on accreditation, regulatory, medication safety, competence assessment, and other related topics.

Users Review

From reader reviews:

Jessie Lloyd:

In this time globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. So , try out this book? Let's see.

Peter Gomez:

Don't be worry should you be afraid that this book can filled the space in your house, you might have it in e-book approach, more simple and reachable. That Competence Assessment Tools for Health-System Pharmacies can give you a lot of close friends because by you considering this one book you have issue that they don't and make anyone more like an interesting person. This specific book can be one of a step for you to get success. This reserve offer you information that might be your friend doesn't know, by knowing more than other make you to be great persons. So , why hesitate? Let us have Competence Assessment Tools for Health-System Pharmacies.

Mary Summers:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Competence Assessment Tools for Health-System Pharmacies can make you feel more interested to read.
