**The Lotus Sutra: Saddharma-Pundarika** By Johan Hendrik Caspar Kern

The Lotus Sutra is considered the greatest of all Buddhist scriptures. It interprets the person of Buddha as a manifestation of metaphysical entity and synthesizes the two aspect of his being: his incarnation in human life and his real ontological identity. It teaches salvation for all creatures, reducing the Three Vehicles to One Vehicle, on the principle of "One is all and All is One." We know nothing of its authorship or its place of origin, but its first translation into Chinese is dated c. 255 A-D.
