## Editorial Review

### Review

"In this delightful collection of fantasies, the listener is introduced to the formal milieu of Victorian England, then whisked away to a series of fantastic worlds." --*AudioFile*

### About the Author

EDITH NESBIT (1858-1924) lived in England and had dreamed of becoming a poet since she was fifteen years old. After her husband fell ill, it was up to her to support her small family. For the next nineteen years, she published a number of novels, essays, articles, poems, and short stories. But it was not until 1899, when *The Story of the Treasure Seekers* was published, that she achieved great success. Her groundbreaking style of depicting realistic, believable children quickly gained a popularity that has lasted for more than a century.

### From [AudioFile](#)

In this delightful collection of fantasies, the listener is introduced to the formal milieu of Victorian England, then whisked away to a series of fantastic worlds. Sadly, this reading fails to exploit the dramatic possibilities of these flights of fancy in the tradition of Alice. The varied moods created in each story are bland and indistinguishable. Ward's presence is conspicuous; her flat tone is barely concealed by inconsistent and unconvincing accent changes. This overly journalistic performance leaves the audience all too firmly rooted in reality, far from the magic world envisioned by the author. B.M.W. (c)AudioFile, Portland, Maine

## Users Review

### From reader reviews:

#### Leslie Marcellus:

The book The Magic World can give more knowledge and also the precise product information about everything you want. Why then must we leave the great thing like a book The Magic World?
