Editorial Review

About the Author

By day I'm a copywriter for a marketing company in Florida. By night I'm turning my wildest thoughts and naughtiest fantasies into erotic tales. My novels feature lots of hardcore action and fast paced plots.

Readers won't find romantic stories here, just erotica with a hardcore edge. My stories center around real women who love sex. The women in mt stories might be labeled a slut by most of society, but I don't think being a slut is a bad thing. It's a good thing to enjoy sex, giving pleasure and of course getting pleasure.

I began writing erotica in college to earn a little extra money on the side. In the years since then, I've dabbled in freelance fiction writing. I'm now turning my total efforts to writing stories that will excite you and keep you turning the pages.
