About the Author

Climbing Magazine once computed that three percent of Chris McNamara's life on earth has been spent on the face of El Capitan— an accomplishment that has left friends and family pondering Chris' sanity. He's climbed El Capitan over 50 times and holds nine big wall speed climbing records. In 1998 Chris did the first Girdle Traverse of El Capitan, an epic 75-pitch route that begs the question, Why? Outside Magazine has called Chris one of the world's finest aid climbers.
