Editorial Review

Amazon.com Review

Along with Mickey Mouse and Asterix, Tintin is one of the world's most recognizable cartoon characters. If you haven't read any of his adventures, you are missing a real pleasure. The clean, crisp art style that defines modern European comics is almost entirely the influence of Hergé. Considered to be one of Hergé's masterworks, *Tintin in Tibet* is a great book for both old and new fans of Tintin. It is compelling, exciting, and spiritually rewarding in the way that the best comics stories can be.

About the Author

Hergé, one of the most famous Belgians in the world, was a comics writer and artist. The internationally successful Adventures of Tintin are his most well-known and beloved works. They have been translated into 38 different languages and have inspired such legends as Andy Warhol and Roy Lichtenstein. He wrote and illustrated for The Adventures of Tintin until his death in 1983.

Users Review
